1. As near as I know, [REDACTED] had no formal training during the period he was with this Agency. I recommend that he be enrolled in the following:

Basic Orientation Course (Communism phase only)
Operations Support Course (Administration phase only)
Operations Familiarization Course

2. I will have lunch with George on 2 February and will discuss the matter with him. Since we do not know exactly when he will come it is not certain that we can efficiently afford him all the training I have outlined above. However, I will report a more specific proposal to you as soon as his EOD date is fixed.
